ECZEMA BURNED LIKE FIRE

Broke Out in Blisters. Head Was Sore. Cuticura Healed.

"I had eczema on my head for about four years. It broke out in blisters and itched and burned like fire. I scratched the skin off my head and my head would be so sore I could not comb my hair. I could not rest at night. All my hair fell out till I could hardly keep it up and when I combed it the dandruff fell like bran. My grandmother told me to try Cuticura Soap and Ointment and I commenced using them. My head felt much easier and now I am completely healed and you cannot see a scale on my head." (Signed) Miss Mary Payne, Bradshaw, W. Va.

When used for every-day toilet purposes Cuticura Soap not only cleanses, purifies and beautifies but it prevents many little skin troubles if assisted by occasional use of Cuticura Ointment to soothe and heal the first signs of skin troubles. Absolutely nothing better.

For Free Sample Each by Return Mail address post-card: "Cuticura, Dept. H, Boston." Sold everywhere.
